

PLAY DATES

WITH

PLAY MATES

You're invited
to come and have a play!

THE PROGRAM:

This group is designed for children with delayed communication and developmental delays, to play and connect with others in a group environment. Each play date will have themed activities (dinosaurs and cars, music instruments, gross motor activities etc) for play exploration, with no formal sit down or instruction times. Group sizes will be kept small, and parent/caregiver involvement is required for each session.

SKILLS TARGETED:

- Exploring and navigating different toys
- Awareness of others, the environment and what's happening around them
- Taking turns in a game
- Listening to or engaging in action songs
- Using joint attention/focusing on the same toy or object when playing
