

CRAFTERNOONS

THE PROGRAM:

This is a social program for children who love craft and would like to be involved in a fun program to develop skills such as initiating conversation, making new connections with similar aged peers and being flexible in team activities.

SKILLS TARGETED:

- Build confidence in initiating conversations and forming new connections.
- Encourage creative expression through crafting and sharing ideas with peers.
- Develop flexibility and teamwork
- Strengthen self-management skills
- Foster fine motor skills through hands-on craft activities that involve cutting, drawing, and manipulating materials.

DETAILS:
