

SOCIAL STENCIL

A SOCIAL EMOTIONAL NEUROAFFIRMING CURRICULUM

Years 3-6

THE PROGRAM:

Social Stencil is a neuroaffirming social-emotional curriculum that helps children understand their own and others' social, emotional, learning, and communication needs. By recognising individual differences, it fosters inclusive spaces where acceptance, positive peer relationships, and belonging contribute to supportive and effective learning environments.

SKILLS TAUGHT:

- Connected listening
- Collaboration
- Emotional understanding
- Friendships and kindness
- Problem solving
- Mindfulness

DETAILS:

Time: 4pm-5pm

Frequency: 18 Sessions, across two terms + a report

Ages: Children in grades 3-6

Location: Bundoora Clinic
